

Good Morning,

Firstly, Thank you for your patience as we collated all the material you need for bump-in.

PLEASE TAKE THE TIME TO READ THESE INSTRUCTIONS TO ENSURE A SMOOTH BUMP-IN/OUT. It contains the information you need and will allow you to set up with minimal hassle.

Entry will be via gate 4 where you can collect the wristbands you require for you and your staff.. Gate 4 will be manned from 6am on Saturday morning.

Bump-in is between 6am and 8am Saturday morning. You may use your car during bump in but must park in the allocated vendor parking areas (see map) unless you have arranged during the application process to keep your vehicle on site to be used as part of your stall.

Market volunteers able to help guide you to your site will be on hand Saturday from 6am until 6pm.

Please ensure you are ready to trade from 8am.

For those camping/arriving early on Friday, Gate 4 will be manned between 3pm and 6pm.

If you would like to set up your campsite outside these times please call 0439 077 700 for direction to your camp site and to arrange arm bands for you and your staff.

Regarding Markets, you can message or call 0413 943 114 AFTER 6am on Saturday morning. PLEASE LEAVE A MESSAGE if there is no answer, it will likely be because the phone is in use. Non-Urgent matters can be text through at any time between now and Saturday morning.

Bump out is from 4pm. The markets will be ending in preparation for the Massed Band at 4:30pm. Please pack as much as you can before bringing your vehicle on site as there will no doubt be stranglers walking through the market area.

BE EXTREMELY CAREFUL when driving through the showgrounds at all times. Pedestrians will be walking around site at all times.
